

# Passport to America's Hometown

The latest Cultural Heritage Tourism product from the Fayetteville Area Convention & Visitors Bureau (FACVB) provides visitors and locals a keepsake that certifies they visited tourism sites in Cumberland County. Introduced on May 1, and deemed the Passport to America's Hometown, the little booklet provides descriptions, details, and photos from 12 sites in Cumberland County.

Upon arriving at each location, staff will stamp your passport upon request. The passport dedicates two full pages to each of the 12 sites, and each site has its own unique stamp.

Passports are free and available for pick up at each of the sites in the passport, all North Carolina Welcome Centers including the two centers on I-95, and each of the FACVB's three visitor centers.

There is much to see and do in Fayetteville and Cumberland County. Pick up your passport at the
